

ROLE DESCRIPTIONS

Athlete Services

These roles will assist rowers and spectators

- Registration of Crews
- Distribution of Crew bibs and boat stickers
- Information and direction
- Management of crews for upcoming event

Boat Drivers

Driving umpires' boats, starter boats etc.

Must have a current boat drivers' licence.

Boat Holding

Unlike traditional rowing, these volunteers will be in the shallows of the water, assisting the crew to hold the boat, or holding the boat in place for a soloist. May assist a Boat Handler (provided by the crew)

Move boats to and from water before and after racing

- Provide steering assistance
- Assist crews exiting boats
- Check boats for damage before and after each race.
- Check boats for water ingress

Boat Repair Assistant Roles

Assisting the boat building team to ensure all boats are ready for racing

This role may involve some adjustment of oars under the supervision of the boat builder.

Daily Set Up and Pack Down

As the competition is held on a beach, we will need to move most equipment off the beach at night and back to the beach in the morning.

Many hands make light work!

Medal Presentations Assistant

PM shifts only.

Helping out in presentation of medals.

Technology Roles

Assisting the technology team, these roles will help with management of the timing system and publishing draws.
