

Level 3 (Performance Rowing Coach) course

Rowing Australia is holding a Level 3 (Performance Rowing Coach) course from the evening of Friday 14th to Wednesday 19th October 2016 in Canberra.

This course is for coaches who are committed to learning more about the art and science of coaching as well as doing some valuable Personal Development.

Those aiming to be in leadership roles at schools and clubs, and / or coaching at State level or above will find this course is well worth the investment.

There will be five full days in Canberra followed by assignments to complete the course. It is likely to take a minimum of a year to gain the qualification although it has been completed in four months.

The total cost of the course is \$1070 which includes all course materials, accommodation and meals in Canberra.

Course numbers are limited so expressions of interest (EOI) are being sought.

Please send your EOI, up to 300 words, along with a brief coaching bio to:

Ron Batt at RA: rbatt@rowingaustralia.com.au by the 10th June.
