

Banks Rowing Club

HEAD COACH

High Performance Program | Competitive Club Rowing

Location: Melbourne, Australia

Banks Rowing Club is currently seeking applications from qualified candidates for the position of Head Coach. Candidates must have proven skills and experience in the following key areas:

- Strategic planning for all aspects of a Club's rowing program encompassing High Performance, Senior and Under Age athletes as well as competitive Club rowers;
- Technical rowing knowledge and experience, including Level 2 Coaching Accreditation (Australia) or equivalent;
- The development and delivery of on-water, ergometer and weight training programs, including weight training technique and experience with injury prevention & management;
- Outstanding leadership and communication skills, and demonstrated ability to manage, coach and mentor a team of 10 coaches and more than 60 competitive athletes.

Other requirements:

- Plan and attend all Club training camps, attend State and National Selection Trials, State and National Championship Regattas, other regattas and Club functions;
- Represent the Club at High Performance meetings convened by Rowing Victoria and the Victorian Institute of Sport;
- Prepare reports for presentation at monthly Committee Meetings.

The culture at Banks Rowing Club is highly inclusive, and our ability to attract rowing talent from all walks of life has served the Club well over the past 150 years, resulting in multiple State, National and International representatives. Our Head Coach must demonstrate the ability to perpetuate our vibrant team-based environment, be a role model for our coaches, athletes and all Club members, and drive the continued success of one of Australia's oldest sporting clubs.

An attractive salary is on offer for this position. Applications close on **19 June 2018** and should address all requirements shown above. Applications (and any enquiries) should be sent to **Jim Lowe**, President of Banks Rowing Club at jameslowe585@gmail.com
